LIMITED WARRANTY

WHAT IS COVERED:

We warrant to you, the original purchaser that with the exceptions stated below, the furniture you have selected is free from defects in material and workmanship. Straps, slings, and cushions are warranted based on quality of workmanship, not fading, discoloration, mildew resistance or stretching.

HOW LONG DOES COVERAGE LAST-

STRUCTURAL -

This limited structural warranty lasts for a period of fifteen (15) years for Aluminum from the date of delivery of the furniture to you ("Warranty Period"). Coverage terminates if you sell or otherwise transfer the furniture or have unauthorized repairs or alterations done to the furniture during the warranty period. Products approved for use in commercial applications will be covered under the current Retail Warranty Period of five (5) years for Aluminum from the date of delivery.

FINISH -

This limited finish warranty lasts for a period of seven (7) years from the date of delivery of the furniture to you ("Warranty Period"). Coverage terminates if you sell or otherwise transfer the furniture or have unauthorized repairs or alterations done to the furniture during the warranty period. Products approved for use in commercial applications will be covered under the current Retail Warranty Period of five (5) years from the date of delivery.

CUSHION -

This limited cushion warranty lasts for a period of one (1) year from the date of delivery of the furniture to you ("Warranty Period"). Cushion warranty covers workmanship of the cushion itself and the filler for one (1) year. Fabrics may be covered under a separate warranty by the fabric manufacturer. If a fabric is deemed defective after the one (1) year cushion warranty by the fabric manufacturer, cost for replacing the cushion, less the fabric charges would be your responsibility. Coverage terminates if you sell or otherwise transfer the furniture or have unauthorized repairs or alterations done to the furniture during the warranty period. Products approved for use in commercial applications will be covered under the current Retail Warranty Period of one (1) year from the date of delivery.

PARTS -

Certain parts, such as recliner mechanisms, fire table burners, etc., only carry a one (1) year warranty.

WHAT MALLIN WILL DO -

FRAMES -

If within the Warranty Period, your furniture fails structurally or if the finish cracks, peels, or blisters, Mallin will, at our option, repair or replace the frame in the original color and style. Please note that it is at Mallin discretion as to whether the original defective piece is required to be sent back or not.

SLINGS -

If within the Warranty Period, the sling breaks or pulls out of the frame within one (1) year from date of delivery, Mallin will send a replacement sling(s) directly to you upon receipt of the defective item(s). Please note that it is at Mallin discretion as to whether the original defective piece is required to be sent back or not. In the event that a frame finish, style or fabric has been discontinued, we reserve the right to substitute the defective frame, sling or cushion in a similar style or color at our option. Regular maintenance (e.g. cleaning the furniture, touching up nicks and scrapes) must be exercised.

TO OBTAIN SERVICE -

Any claim under this warranty should be initiated within the Warranty Period by contacting the dealer where the item(s) were originally purchased. A copy of the original sales receipt as well as the original order placed with Mallin is required. A claim may also be handled by any other authorized Mallin Dealer but an original sales receipt would still be required to verify date of purchase. All warranty claims should be sent by email to claims@Mallin-furniture.com.

If unable to go through a dealer please send the information via email directly to Mallin Customer Service at retail3@Mallin-furniture.com.

Freight charges will be paid by Mallin for two (2) years from purchase for warranty claims – proof of purchase is required. Customer will be responsible for freight charges after the first two (2) years of the Warranty Period. Mallin reserves the right to examine all merchandise claimed to be defective. Upon approval of the claim, Mallin will authorize either repair or replacement of the defective furniture, sling, cushion or part. No returns shall be accepted without a return authorization from Mallin.

WHAT IS NOT COVERED -

This warranty does not cover and is void if damage is a result of freight/shipping, a failure caused by unreasonable or abusive use, acts of God, improper care, freeze damage, mildew, normal wear, fading or stretching of fabrics, glass breakage, glides or if the furniture is used for commercial purposes (except where noted) or if the customer fails to provide reasonable and necessary care as outlined in the product information brochures.

CARING FOR YOUR FINE MALLIN FURNITURE

	Cleaning & Maintenance	Removing Stains, Mildew, Etc.	Insect Repellents & Suntan Lotions	Special Instructions
ALUMINUM FRAMES	Clean with a solution of warm water and mild soap. Use a fine automotive wax to maintain the gloss on non-textured finishes.	Mallin's multi-step finishing process results in a stain-resistant finish. Severe stains may require light sanding and touch-up painting.	The finish on Mallin furniture is formulated and baked on to make it highly resistant to repellents and lotions. However, to avoid discoloration, clean the frame as soon as possible after the exposure.	Frame finish touch-up instructions: When using touch-up paints, please follow instructions and cautions on product labels. If covering scratches, rub lightly with fine steel wool to smooth the surface and improve paint adhesion. Apply thin coats of touch-up paint and allow ample drying time between coats.
FABRICS	Spot wash by sponging briskly with a mild soap in lukewarm water (do not exceed 100°F). Thoroughly rinse with clean water to remove soap. Allow to air dry completely before storing.	Spot wash by sponging briskly with a mild soap in lukewarm water (do not exceed 100°F). Thoroughly rinse with clean water to remove soap. Allow to air dry completely before storing.	Not recommended. Insect repellents and suntan lotions can reduce the life of fabrics, accelerate fading and stain fabrics. To avoid damage, wipe clean with mild laundry detergent and warm water. Do not use bleach or harsh detergents under any circumstances.	DO NOT USE STEAM. Acrylic fibers are made of 100% acrylic fiber and are thermoplastic or heat sensitive. When spot washing, use lukewarm water (under 100°F) and allow to air dry. Do not use solvents, carbon tetrachloride, scouring agents, bleach, janitorial cleansers, gasoline or brushes.
