General Information

100% Solution-Dyed Acrylic Fabrics:

Grade A+ / A

Limited warranty: 5 years against fading

For the complete line of our
Care & Maintenance products
See pages 78-79

100% Solution-Dyed Polyester Fabrics:

Grade C (Our exclusive 4800 series)

Limited warranty: 4 years against fading

MOST STAINS ON SOLUTION-DYED FABRICS CAN BE CLEANED UP WITH TREASURE GARDEN'S UPHOLSTERY & FABRIC CLEANER (TGC-UFC-32) OR A NATURAL MILD SOAP AND WATER SOLUTION. Solution-Dyed fabrics should be cleaned regularly before substances such as dirt, etc., are allowed to accumulate on and become embedded in the fabric. The fabric can be cleaned without being removed from the umbrella. Simply brush off any loose dirt, etc., clean with warm water (no more than 100° F) and a cleaner such as our **Upholstery & Fabric Cleaner (TGC-UFC-32)** or a mild natural soap. Rinse thoroughly to remove cleaner. It may be necessary to re-apply a water repellent treatment, such as our **Upholstery & Fabric Protector (TGC-UFP-32)**. When washing or cleaning, **DO NOT SUBJECT TO EXCESSIVE HEAT** as the fabric will shrink. **DO NOT STEAM PRESS OR DRY IN ELECTRIC OR GAS DRYERS.** Allow fabric to air dry. In case Solution-Dyed fabrics are stored during the winter season, it should be cleaned, allowed to air dry and stored in a dry, well ventilated area. Terms & Conditions (subject to change without notice)

PAGES 140-142 applies to Treasure Garden, Shademaker and Jardinico.

As a condition of doing business with Treasure Garden, Inc. and its affiliates (hereinafter, "TG") all persons involved in the commercial purchase, sale, or resale of TG products (each, a "Dealer") shall be bound by the following terms and conditions (the "Agreement").

Distribution:

To qualify as an authorized TG retail Dealer a business must:

- Have a permanent store-front retail business location with reasonable space to display TG products and accessories.
- Maintain an inventory of TG merchandise throughout their outdoor product selling season.
- Reasonably accommodate purchases of anyone showing interest in TG products.
- Be moderately capable of "after the sale" service and support to the end-user and reasonably accommodating of consumer requests for such service and support.
- Retail Dealers should be qualified or trained by their TG sales representative.
- Ecommerce and contract dealers have other requirements.

TG reserves the right to respond to geographic and individual market and competitive situations by applying different policies to its various Dealers. TG also reserves the right to rescind or modify, in its sole and absolute discretion, any existing or future sales program or policy, or the credit terms (if any) extended to a Dealer. In addition, TG may terminate any authorized Dealer, for any reason or no reason, in its sole and absolute discretion and without notice.

Credit Terms:

A completed and signed TG commercial credit application agreement begins the process of establishing a credit line or billing account with TG. Until a credit application is approved, all orders may require payment in advance; meaning payment must be paid prior to our manufacturing of the order. Minimum annual orders of \$5,000 are required during TG's fiscal year (i.e., Oct. 1 - Sept. 30) for any new or re-established account. TG generally offers payment terms of Net 30 days (on approved credit) to an authorized retail dealer. Terms for contract dealers are proforma / cash in advance. Other credit terms may be available and will be indicated on the Sales order acknowledgement and Invoice. Payment terms for Freight Charges and/or duties are Net 7 days. All orders are subject to credit approval and acceptance by our home office in Baldwin Park, California and TG may terminate the extension of credit, for any reason or no reason, in its sole and absolute discretion. Any disputes between TG and a Dealer may be brought in the Courts located in California regardless of where the Dealer is located. Time is of the essence concerning all payments, and payments must be sent to be received by the due date. No deductions or debit memos are accepted. A service charge of one and one-half percent (1.5%) per month or such maximum lesser rate as may be permitted by law may be assessed to all past due invoices. Invoices are considered past due if the payment is not received by the due date.

Credit files are routinely reviewed, and a current financial statement or information may be requested by TG and must be provided within 10 business days. TG may also request assurances of a Dealer's ability to pay and may, upon the making of such request, stop production and suspend shipments.

Prices:

Prices listed in the price list are suggested retail prices. A Dealer's cost is based on the designated Dealer classification. Ask your Sales Representative for details regarding TG's 2025 programs and pricing structure.

Taxes and Surcharges:

The manufacturer's suggested retail price (MSRP) does NOT include any state tax local tax or surcharges. CA sales tax may apply to shipments made within the state of CA, picked up at our CA facility or drop shipped within the state of CA unless we have a CA resale or tax-exempt certificate on file. Treasure Garden has a presence in 39 states. As of JUNE 2022, these states are AL, AR, AZ, CA, CO, CT, DC, FL, GA, IA, ID, IL, IN, KS, KY, LA, MA, MD, ME, MI, MN, MO, NC, NE, NJ, NM, NV, NY, OH, OK, PA, RI, SC, TN, TX, UT, VA, WA & WI. As mandated by state and local taxing authorities, we are required to collect sales and / or use taxes on your purchases shipped to these states unless we have a valid resale / tax exemption certificate(s) for the state(s) that your company's purchases are shipped to. Please note that CA, CT, DC, MA & MD will NOT accept another states resale certification or resale number for tax exempt purposes.

Order Acceptance:

We accept orders from an authorized retail Dealer or contract accounts only. Ask your sales representative for details on becoming an authorized retail Dealer or contract account. If you place an order with Treasure Garden and you or your designee accepts delivery of any goods in relation to the order (whether or not you believe the delivery conforms with the order) you will be bound by the terms and conditions of our 2025 catalog.

If you do not accept all of the Catalog Terms you must notify us in writing within 10 business days of receiving your acknowledgement or the goods, whichever occurs sooner, to cancel or return the order at your expense. If you fail to do so, you will be bound by the Catalog Terms. In the event of a conflict between the terms on any purchase order, invoice, acknowledgement, or other document and the Catalog Terms, the Catalog Terms will prevail.

Opening orders under \$5,000 (or dealers without open credit terms):

Orders must be paid in advance via ACH, wire, credit card, business check, or cashiers check before the order is manufactured (we do not process C.O.D. orders or hold credit card information on file). Once your order is sent in, please allow at least 3-5 days for us to process and price your order. We will email an order quote with your prices, estimated shipping charges and prepayment instructions. Once your payment is cleared from the bank, a new acknowledgement will be issued with your estimated ship date. Clearing of checks may take anywhere from 3-5 business days for any checks issued from domestic banking institutions.

International checks are not accepted. It is best to pay orders via Wire Transfer on all international orders to avoid delays in processing.

Opening orders over \$5,000:

Please send in a TG credit application with your order, all Dealers will be bound by this Agreement regardless of whether they sign the TG Credit Application Agreement. Allow a few days for account set up and credit application processing. Once credit terms are approved, please refer to your order acknowledgment for the ship dates. If you do not wish to establish open terms, please review the preceding section.

Order Policy:

To ensure that your order is processed without delay we require:

- A written purchase order (no phone orders) from an authorized Dealer including the business name, account number, phone number and purchase order number.
- Ship date and specific shipping instructions. If you request freight collect or 3rd party billing, please provide the account number.
- Our item/style number, fabric number, type and color.
- Quantity of each style.
- Customer's name on all Special Orders.
- Order type:
SP = Special Promotions EEB = Early Early Buy
TGEX = TG Express Order EB = Early Buy
CQS = Cantilever Quick-Ship

NOTE: Dealers who place a single purchase order without specifying a specific program, the order will automatically be shipped out at the longer lead time based on the items ordered. Dealers who want separate shipments with different lead times (i.e. - TGEX and Custom), please write separate purchase orders per program and make sure correct items are offered in those programs. Dealers who place a single purchase order specifying multiple or incorrect programs based on items ordered, the order will automatically be split-shipped separately according to their respective programs.

A 50% deposit may be required for orders that contain custom, exclusive items or large quantities. The deposit must be made before the order is scheduled into our system.

Please note that any discrepancies in your purchase order can cause significant delays. You must review the acknowledgment for accuracy and advise TG immediately of any discrepancies or changes. Lead time starts once order is finalized.

Changes/Cancellations:

No cancellations, changes, additions or holds will be accepted for an order for which materials have been ordered or produced. Cancellations and/or changes of product or shipping dates on EARLY BUY orders (as defined below) must be received at our office in writing within 15 days of the acknowledgement date. Cancellations and/or changes of product or shipping dates on custom orders must be received in writing within 3 business days of the acknowledgement date. Order revisions will no longer be accepted for Quick-Ship programs if the order has already been processed in the system or after 24 hours, whichever occurs first. No cancellations or revisions will be accepted after 72 hours for non-stock fabric orders. NO EXCEPTIONS. Orders that do not follow these guidelines will be charged a 25% re-stocking or handling fee. We cannot guarantee that purchase orders added to an existing order will be shipped together. If items are added to an order or an item on an order is changed, the entire order may be rescheduled as of the date of the change. This may result in a later ship date than the original order. In the event an order is refused and returned to us, a 25% restocking/handling fee may be assessed in addition to the inbound and outbound freight charges. The 25% restock fee also applies to pro forma orders that are canceled due to nonpayment.

Container Orders:

Due to the special pricing on container orders, all containers must be prepaid via wire transfer or paid by letter of credit. If you have not placed a prior container order or if there were previous payment delays or if there are non-stock/custom items on the order, we may require a 50% deposit before we start manufacturing the order. The remaining balance will be due two weeks before the order is shipped. The purchase of a container may also involve bank charges and other charges unrelated to the price of the product including but not limited to duties, storage, shipping, and transportation charges, third party inspection charges whether inspected at point of origin, point of entry or point of delivery. Once your purchase order is sent in, we start reviewing and scheduling your order into our production schedule. It is important that you inform the Baldwin Park office of any order changes within 10 business days from when your order is sent in. After reviewing your purchase

order, we will mail or fax an order acknowledgement with your payment instructions. We must be informed of any discrepancies or revisions to CONTAINER ORDERS in writing within 10 business days of sales order acknowledgment date. No cancellations are allowed. When placing orders, please be mindful of Chinese New Year. Generally, our manufacturing schedule is tight around that time.

Backorder/Partial Shipments:

Due to the considerable number of items, we offer, we may not initially be able to ship or deliver your entire order. In such event the balance and/or entire order thereof will be backordered and shipped and delivered at a subsequent time or times. Standard shipping charges will apply to partial or backorder shipments.

Lead Times:

TG CUSTOM: Our goal is to ship custom in stock fabric orders within 3 weeks of the acknowledgement of the order, 5 weeks for non-stock fabrics for Treasure Garden and Shademaker; 8-10 weeks for non-stock fabrics for Jardinico.

EARLY BUY: We will make every effort to ship orders received during the EARLY BUY period within 30 business days of the estimated ship date. All scheduled shipments will be at the factory's convenience.

TGEX: Our goal is to ship TG EXPRESS orders within 2 business days of the acknowledgement of the order.

CQS: Our goal is to ship CANTILEVER QUICK-SHIP orders within 5 business days of the acknowledgement of the order.

Notwithstanding anything to the contrary herein, TG does not guarantee that any shipments of any type of product or order will be delivered at or before a date certain. All large quantities may result in partial shipments. This is a goal – not a guarantee – and may be slightly affected by availability of fabrics & consumer demands.

ALL SHIPMENTS - TG shall, in the event of no routing instructions from the buyer; select a carrier, which it feels, in its sole discretion, can adequately handle each shipment.

Order Scheduling:

Deliveries are subject to fire, storm, flood, war, rebellion, riot, strike or labor trouble, interruptions to transportation, perils of navigation, damage to factory, equipment of facilities, governmental mandates, including the exercise of acts of God, failure of our sources of supply in whole or in part, and other cause beyond our control. We shall not be liable for any damages or failure to deliver or delay in delivery due to any such causes. If possible, we will attempt to ship merchandise the week of the requested ship dates.

However, in order to maintain an orderly schedule, we reserve the right to schedule the merchandise shipment to the nearest available production schedule and to ship accordingly.

Our regular business days are Monday through Friday.

Early Buy Orders:

The deadline for the 2025 Season Early Buy Program is December 31, 2024. These dates are subject to change depending on our production schedule. Due to special payment terms of the Early Buy order, we are unable to restrict or limit the shipping dates; you must be prepared to accept shipment of the Early Buy order at TG's sole convenience. There is a minimum of \$5,000 for Early Buy orders. A 50% deposit may be requested for customers placing their 1st Early Buy order if there were issues with previous orders, the order exceeds the approved credit line or there is custom product that is being ordered. The deposit must be made before the order is scheduled into our system. Ask your Sales Representative for details on our EARLY BUY program.

Freight Charges:

The shipping charges on your invoice may differ from those on your acknowledgement. This is largely due to instability in today's fuel economy. Please understand that these charges are assessed by the carrier, not TG. These charges can sometimes include fuel surcharges, lift gate, extra delivery charges, as well as standard pallet fees and box pallet fees which may not have been indicated on the preliminary freight quotes. The pallet fees may increase depending on the cost of these items.

If the freight charges are prepaid & added to your invoice, the shipping charges may include any applicable pallet charges. To ensure the most economic freight for our customers, we are constantly reviewing freight rates. If we ship your orders freight collect or 3rd party billing, we will bill your company for any applicable pallet charges.

Freight Claims:

All merchandise is delivered to the carrier in factory new condition. Our FOB shipping points are AZ, Baldwin Park, CA or Ningbo, China. The FOB location depends on your order type and product availability. The carrier accepts responsibility for the safe delivery upon acceptance of the shipment. TG should be notified immediately regarding any claims. Claims for loss or damage sustained in transit must be filed by the Dealer, as follows:

Visible Damage:

It is the Dealer's responsibility to check the merchandise and file a claim with the carrier if the shipment was made using the dealer's carrier and account. Request a claim form from the delivering carrier and file your claim immediately. If the shipment was made using TG's carrier and account, it is the Dealer's responsibility to check the merchandise and notify TG immediately of the situation so that a claim can be filed. In either situation, make a notation on the Bill of Lading/Proof of Delivery as to the nature and extent of the

damage and obtain a signature of the carrier's agent. (Failure to adequately describe this information may result in the carrier refusing to honor the claim and TG will not, under any circumstances, be liable for damage sustained in transit).

Concealed Damage:

If damage is discovered when unpacking the merchandise, immediately mark the damaged area and submit a written request for the carrier to inspect. Attach a copy of the concealed damage information. Do not remove the merchandise from the original carton until the carrier inspection is complete. If the merchandise was shipped using TG's carrier and account, it is the Dealer's responsibility to notify TG immediately of the situation so that a claim can be filed. Concealed damage needs to be reported and claim filed within 5 days for all carriers.

Shortage:

It is the Dealer's responsibility to inspect all merchandise and to file claims with the carrier in the event of product shortage. Make a notation on the Bill of Lading/Proof of Delivery as to the number of cartons short. TG must also be notified immediately of any shortages. File the claim with the delivery carrier immediately. No claim for shortages, damaged items or errors will be honored unless it is made in writing on the Bill of Lading immediately upon receipt of the shipment. Notwithstanding anything to the contrary in this Agreement, failure to make a claim on the Bill of Lading will constitute a waiver of any rights to a refund or credit.

Return Goods:

No returns will be accepted without a written Return Authorization (RA#) from the factory. A request for return must be done within 30 days of delivery and all RA's are valid for 60 days. It is the Dealer's responsibility to follow routing instructions. Please email your Customer Service Representative for an RA#. Your request must include the following information:

- Company name, contact name, number & store hours,
- The TG invoice and/or acknowledgement,
- The item no., number of units to be returned and carton total,
- The reason for the return, and
- Which carrier will be returning the goods and the date of the shipment.

Any item that is returned for credit that is not under TG's warranty policy is subject to a 25% restocking fee (and must be properly packaged) plus inbound and outbound freight charges, if applicable. Any item that is returned for repair or replacement that is not under TG's warranty policy is subject to the applicable repair charges listed in the "Other Fees" section, below. FOR FULL CREDIT CONSIDERATION, RETURNED MERCHANDISE MUST BE BOXED & IN NEW CONDITION. TG will only organize the return of product for warranty determination from the original point of shipment within the US and Canada. Per the Treasure Garden Limited Warranty, Treasure Garden restricts warranty service for TG products to the country where Treasure Garden or its authorized TG retail Dealers originally sold the product.

Errors:

There may be errors in the prices, descriptions or images of certain merchandise in our price list or sales material. We reserve the right to restrict orders of those items.

Other Fees:

These fees apply to both contract accounts and retail Dealers.

- Non-warranty repairs are subject to a labor charge of \$50 per hour plus applicable parts, inbound and outbound freight charges. Please allow at least 5 business days for processing.
- A \$15 handling fee will be added to any purchase under \$50. To avoid this fee, please accumulate your product needs and place orders together. DOES NOT APPLY TO PARTS, FABRIC BY THE YARD OR DISPLAY STANDS.
- A \$15 drop shipment fee will be added to drop shipment orders. We can drop ship orders to US addresses only. The appropriate sales and use tax will be added to the orders unless we have a resale certification for the state that the items are being shipped to. Depending on the item, additional delivery charges may apply. TG reserves the right to rescind or modify, at its sole discretion, drop shipments or the drop shipment of specific items.
- A \$25 service charge will be assessed on any returned check.
- Residential delivery fees, lift-gate fees, limited access and "call before delivery" fees vary depending on the carrier.
- A Materials Handling Fee may be assessed for palletized orders shipping LTL freight collect or when special labels are required to print for each order.

Shipping:

Most TG products can be shipped using parcel companies (UPS, FedEx or other). Some of our larger or heavier products however, must be shipped with a trucking company. Such products are identified with the "Truck Only". TG can only ship to addresses in the US and Canada. If shipping to Canada, you must have your own broker to clear items through customs and this information must be provided with the purchase order.

Treasure Garden Storage Policy:

We reserve the right to assess storage fees if you are not able to receive the product when Treasure Garden is ready to ship, your carrier does not pick up within 3 days of notification that the shipment is ready or after a 3-day grace period*. The grace period starts the day after the original Estimated Ship Date on your Order Acknowledgement (or the date the product is ready to ship). When the grace period expires, the following storage policy and pricing will be applied:

- Un-palletized orders are \$50 per day*
- Palletized orders are \$50 per day*; plus an additional \$20 per pallet

*All time frames referenced in policy are business days

† Customer is responsible for all shipping charges if they are unable to receive shipment when carrier is ready to deliver. This includes but is not limited to, storage and re-delivery fees. †† Storage is not available for Cash In Advance / prepay customers.

Payments:

Payment will be accepted in US Dollars only. If a deposit or pre-payment is paid by a standard business check drawn on a domestic banking institution, please allow 2-5 business days from TG's deposit date for your funds to clear. If paid by a standard business check drawn on an international banking institution, please allow 4-6 weeks from TG's deposit date for your funds to clear. If your deposit is prepaid via wire transfer, please allow 1 business day for your funds to clear. Invoice payments should be sent to be received on or before the due date at our corporate office in Baldwin Park, CA at the address in the "Notices" section, below. Payments made in a different manner may be delayed.

Pricing:

"MSRP" means the Manufacturer's Suggested Retail Price as set forth in this Catalog. "MAP" means the Minimum Advertised Price as set forth in this paragraph. Dealers must adhere to MAP requirements when advertising via any traditional media, in all online advertising, online comparison price shopping, and landing pages. Dealers cannot advertise TG products below a published Net MAP price list effective the start of each fiscal year. TG reserves the right to adjust MAP pricing based on MSRP and/or MSRP pricing, changes due to tariff implementation and/or other unforeseen market conditions, as needed during the fiscal year. This net pricing is inclusive of, but not limited to, discounts such as coupons, promo codes, email "sign up" discounts and sales tax. In addition, no advertisements may state or otherwise suggest that the TG MSRP is higher than the actual MSRP as set forth in this catalog. It is also incumbent on all dealers to update their pricing October 1, 2024 for 2025 season to reflect any changes to MSRP and MAP that might occur. MAP Policy may vary for international dealers, please see your local sales representatives for details.

Minimum Advertised Price Requirements:

As in any Minimum Advertised Price ("MAP") program, the intent is to uphold the integrity of the Treasure Garden line of products and protect the investments made by Treasure Garden and its Dealers and retail partners. Violating MAP requirements only serves to devalue the brand in the eyes of the consumer. These MAP requirements apply to any Dealers advertising TG products via traditional media including, but not limited to, newspapers, mailers, inserts, circulars, magazines, catalogs, television and radio. In addition, the MAP requirements apply to any Dealers selling or advertising TG products online and/or having a checkout/cart system.

MAP Policy Violation Enforcement:

TG reserves the right to determine, in its sole and unfettered discretion, whether a violation of the MAP requirements has occurred. If TG determines that a Dealer has violated the MAP requirements, TG may, in its sole and unfettered discretion, terminate its relationship with the Dealer without notice or an opportunity to cure. The Dealer agrees that money damages or other legal remedies would not, standing alone, be a sufficient or adequate remedy for any breach or violation of the MAP requirements. As such, in addition to all other remedies available to TG, TG shall be entitled to an injunction restraining such breach or violation and to other equitable relief, including specific performance, without a bond or other security being required.

Product Advertising:

All TG products advertised may include the Treasure Garden name in the product description. Product advertising may include proprietary names (e.g., "O'bravia", "Solefin", etc.) and the Treasure Garden logo in product descriptions. Product names cannot be changed without prior approval (e.g. EVO, Polaris, etc.). Dealers may use their own images of TG products that they have taken themselves OR use images offered in TeamTG. Treasure Garden logos and logos of proprietary products will be provided on TeamTG. Lifestyle images provided by Treasure Garden should not be altered without prior approval. The Dealer's permission to use the Treasure Garden brand, trade names, logos, images, and any intellectual property is subject to the Dealer's strict compliance with this Agreement including, but not limited to, the MAP requirements.

Bulk Sale Restrictions:

If a Dealer decides to resell product to a third party said Dealer is responsible for any warranty or service issues, as well as is still bound to this agreement. The third party is not under agreement with TG, it is the Dealer that is doing business with TG.

Duty to Notify TG of Complaints:

Dealers shall make a careful and thorough inspection of all goods received. Subject to and without limitation of the requirements of the "Freight Claims" section above, Dealers must notify TG in writing of any complaints or issues, whether existing or reasonably foreseeable, relating to TG's performance including, but not limited to, discrepancies in quantity or description of items delivered, defects or potential defects in items delivered, or any other issue whatsoever relating to TG's performance (except issues relating to billing disputes, which are dealt with in the next section.) Notice shall be provided to TG within 30 days of:

(i) the Dealer's receipt of any defective or non-conforming goods, or (ii) the time any other issue complained of came, or should, with reasonable care, have come to Dealer's attention – whichever is earlier. Unless timely notification is received by TG in accordance with the terms hereof, which notice shall identify with particularity all complaints or issues asserted by the Dealer, the Dealer irrevocably waives any and all complaints relating to any defective or non-conforming product or any other issue whatsoever relating to TG's performance and the Dealer shall have no recourse against TG. The Dealer shall be solely responsible for retaining proof that the written notice required by this section was received by TG.

Payment Obligations:

Dealers agree to examine immediately upon receipt each of TG's statements of account, invoices, or other billing statements (collectively, "Bills"), and to notify TG in writing of any

disputed Bills within 10 days of receipt. Such disputes may include, but are not limited to, disputes relating to charges for items that were billed but not received; charges for product that was received but not ordered; or charges for items that were returned, refused, credited, or have a freight claim pending. Dealers will not withhold payment when disputes arise. Only the disputed portion of a timely disputed past-due balance may be withheld. Unless timely notification is provided to TG in accordance with the terms hereof, which notice shall identify with particularity any and all objections to any of TG's Bills, the Dealer irrevocably waives any and all objections to TG's Bills. In addition, the Dealer agrees that its obligation to pay TG is separate and independent from any obligations TG may have to the Dealer. In the event the Dealer fails to pay TG in accordance with the terms hereof, the Dealer irrevocably waives the right to assert any and all claims, offsets, or any other defenses whatsoever to TG's right to payment. The Dealer further agrees that any payments to TG may be applied to any invoices or other indebtedness owed to TG, in TG's sole and absolute discretion. The Dealer shall be solely responsible for retaining proof that the written notice required by this section was received by TG.

Statements are sent out on the 1st business day of each month and mid – month.

Adequate Assurance & Right to Suspend Delivery:

Without limitation to any of TG's rights hereunder, if the Dealer fails to fulfill the terms of payment of any invoice, or fails to perform any other obligation whatsoever to TG or if there is change in ownership or if the financial condition of the Dealer shall become impaired or unsatisfactory to TG in TG's sole discretion, or if necessitated by any acts of governmental authority, TG reserves the right to change the terms of payment, discontinue further shipments, and/or cancel all orders and deliveries in progress to Dealer, without notice, until all past due payments are made in full or such acts of governmental authority shall have been complied with or Dealer has provided security satisfactory to TG, in TG's sole discretion, which may include, by way of example only, cash in advance or proforma terms.

Attorneys' Fees:

The Dealer agrees that it shall be liable for all of TG's attorneys' fees (including local counsel fees), experts' fees, accountants' fees, court fees, collection costs, collection agency fees (if applicable), and any other expenses, whether or not incurred in connection with litigation or arbitration, arising from the breach of any term of this agreement by the Dealer, and/or in connection with the enforcement of any judgment or award rendered in favor of TG.

Governing Law:

You agree that all matters relating to your purchase and use of TG products, including all disputes, will be governed by the laws of the United States and by the laws of the State of California without regard to its conflicts of law provisions. You agree to the personal jurisdiction by and venue in the state and federal courts in Los Angeles County, California, and waive any objection to such jurisdiction or venue.

No Waiver:

None of TG's rights hereunder will be deemed to be waived or modified in any way based upon the manner in which this Agreement is performed or TG's failure to enforce its rights hereunder or insist on strict and timely performance of the Dealer's obligations. Without limitation to the foregoing, acceptance of payment outside of the stated credit terms shall not operate as a waiver of the stated credit terms.

Limitation on Liability:

In no event will TG be liable to the Dealer for any lost profits, lost savings, or any consequential, incidental or special damages arising out of or in connection with the parties' relationship, even if TG has been put on notice of the possibility of such damages. Without limitation to the foregoing, under no circumstances will TG be liable to the Dealer for punitive damages.

What Is NOT Covered:

Failure caused by unreasonable or abusive use, or failure caused by neglect of reasonable and necessary care, and any modification to product are not covered by this warranty. We will only warranty products which are properly secured to an adequate base or mounting system and adhere to our required base weight minimums.

Additionally, acts of nature (including but not limited to wind, hurricanes, tornadoes, and storms) are not covered by this warranty. This warranty covers return freight of any warranted product only for the first year. This warranty gives you specific legal rights and you may have other rights which vary from state to state.

Closeout and promotional items sold by the dealer "as is" are not covered by this warranty.

Wind Damage:

Treasure Garden highly recommends that no umbrella, regardless of size or weight, ever be left unattended in the open position. In windy conditions, it is further recommended that umbrellas be closed, removed from their base, and stored or laid horizontally. This will reduce the risk of personal injury, damage to your umbrella, furniture, and other belongings or property. To ensure stability of your umbrella, please observe proper placement, and use sufficient base weight. This catalog contains minimum recommendations for necessary weight for each style. Keep umbrella properly secured to an umbrella base at all times. Thoroughly read and follow all provided instruction manuals.

WIND DAMAGE IS NOT COVERED UNDER OUR LIMITED WARRANTY.

Irregularities in Production Process:

The possibility of "Irregularities" in the product surface may occur during the production process. However, these irregularities do not reduce the quality of the product. Treasure Garden monitors every stage of production to ensure a clean and consistent appearance on every part.

Rust:

Rust is a natural part of the aging process of all Steel or Iron based materials and is therefore NOT considered a defect. Treasure Garden Cast Iron & Steel plate bases are designed to require minimum maintenance. Bases should be kept clean.

Do not let dirt build up on the bases. Cleaning with mild soap and water, and seasonal touch-up of any scratches, chips or occasional rust seepage from crevices or hidden, un-finishable surfaces inherent in some designs is all that is required. Touch Up paint in matching frame colors are available through your retail dealer. Never leave bases standing in water. To keep your bases looking their best, you may wish to store them when not in use for an extended period of time.

Seaside and Pool Usage:

CAUTION: Do not leave umbrella in pool for extended periods of time. It is recommended to remove the umbrella from pool and immediately clean after use. Seaside and in-pool use, salt & chlorides can accumulate on the powder coat finish, leading to finish failure. Failure to do so will void the limited warranty.

International Returns:

If an item is found to be under warranty Treasure Garden shall only be responsible for ground shipping charges to the location of the product within the continental United States. Any duties, express, international or special shipping charges are at the expense of the retail dealer or consumer.

IMPORTANT RESTRICTION FOR TG PRODUCTS WARRANTY SERVICE:

Treasure Garden restricts warranty service for TG products to the country where Treasure Garden or its authorized TG retail Dealers originally sold the product.
